
Bay View Crete

Bay View is a self contained community of 120 properties ranging from one/two bed studio apartments, through to 80m² bungalows and 80m² two bed two bathroom townhouses, all with freehold title together with community facilities and swimming pools.

Located near Makriyialos on the southern most edge of mainland Europe.

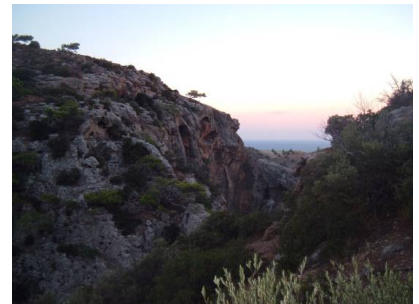

Prices From 99,000 Euros (approx £67,000) to 220,000 Euros (c. £150,700)

A short walk to the beach, close to all usual facilities, these quality apartments, townhouses and bungalows represent excellent value for money in an area that is likely to experience strong capital growth due to development of the airport at Sitia 35 minutes away.
